

150-MC-5125
Prepare a Fragmentary Order
Status: Approved

Distribution Restriction: Approved for public release; distribution is unlimited.

Destruction Notice: None

Foreign Disclosure: FD1 - This training product has been reviewed by the training developers in coordination with the Fort Leavenworth, KS foreign disclosure officer. This training product can be used to instruct international military students from all approved countries without restrictions.

Condition: The staff officer's unit publishes an operations plan, or warning, operations or fragmentary order and is conducting operations and executing the operations process. The unit establishes communications with subordinate and adjacent units and higher headquarters. The mission command system is operational and processing information. Some iterations of this task should be performed in MOPP 4.

Standard: The staff officer prepares and issues a fragmentary order based on the commanders guidance and approval after a change or modification to the operations order or to execute a branch or sequel to that order. The fragmentary order includes all five operations order paragraph headings and differs from the operations order only in the degree of detail provided. The staff officer provides new information for each paragraph or states no change to the unaffected paragraphs. The staff officer conducts his duties in accordance with the commanders intent, orders from higher headquarters, and standard operating procedure.

Special Condition: None

Safety Risk: Low

MOPP 4: Sometimes

Task Statements

Cue: None

DANGER

Leaders have an inherent responsibility to conduct Risk Management to ensure the safety of all Soldiers and promote mission accomplishment.

WARNING

Risk Management is the Army's primary decision-making process to identify hazards, reduce risk, and prevent both accidental and tactical loss. All Soldiers have the responsibility to learn and understand the risks associated with this task.

CAUTION

Identifying hazards and controlling risks across the full spectrum of Army functions, operations, and activities is the responsibility of all Soldiers.

Remarks: None

Notes: The term 'staff officer' refers to the unit Chief of Staff (CoS), Executive Officer (XO), Deputy Commanding Officer (DCO), and/or another designated officer as directed by the commander.

Performance Steps

1. The staff officer issues a fragmentary order (FRAGORD) based on the commander's guidance under the following conditions:

- a. To change an order.
- b. To modify an order.
- c. To execute a branch to an order.
- d. To execute a sequel to an order.

2. The staff officer places the classification of the FRAGORD at the top and bottom of all pages and in front of each paragraph and subparagraph in parentheses:

Note: Refer to Army Regulation (AR) 380-5, Department of the Army Information Security Program, for classification and release marking instructions.

- a. TOP SECRET (TS).
- b. SECRET (S).
- c. CONFIDENTIAL (C).
- d. UNCLASSIFIED (U).

3. The staff officer formats the heading information of the FRAGORD to include:

- a. Changes from a verbal order if any.
- b. Copy number of copies.
- c. Official designation of the issuing headquarters.
- d. Place of issue. (Use uppercase letters (for example, KANDAHAR, AFGHANISTAN) for towns and countries.)
- e. Date or date-time group the plan or order was signed or issued and becomes effective unless specified otherwise in the coordinating instructions.
- f. Message reference numbers.
- g. The FRAGORD Order (number) to Operation PLAN/ORDER [number] [(code name)].
- h. References: Refers to the higher order being modified.
- i. Time zone used throughout the operation order/plan.
- j. Distribution.

4. The staff officer organizes the FRAGORD to include all five OPORD/OPLAN paragraph headings.

- a. Situation: Include any changes to the existing order or state "no change."

- b. Mission: Include any changes to the existing order or state "no change."
- c. Execution: Include any changes to the existing order or state "no change."
 - (1) Commander's Intent. Include any changes or state "no change."
 - (2) Concept of Operations. Include any changes or state "no change."
 - (3) Scheme Movement and Maneuver. Include any changes or state "no change."
 - (4) Scheme of Intelligence. Include any changes or state "no change."
 - (5) Scheme of Fires. Include any changes or state "no change."
 - (6) Scheme of Protection. Include any changes or state "no change."
 - (7) Cyber Electromagnetic Activities. Include any changes or state "No change."
 - (8) Stability Operations. Include any changes or state "No change."
 - (9) Assessment. Include any changes or state "no change."
 - (10) Tasks to Subordinate Units. Include any changes or state "no change."
 - (11) Coordinating Instructions. Include any changes or state "No change."
- d. Sustainment: Include any changes to the existing order or state "no change."
- e. Command and Signal: Include any changes to the existing order or state "no change."

5. The staff officer formats the ending to include:

- a. Acknowledge block: Commander's last name and rank.
- b. Official Block: Authenticator's name and position.
- c. List annexes, if any.
- d. Distribution: List those who are to receive the order.

6. The staff officer issues the FRAGORD, following the commander's or the commander's designated representative's approval.

(Asterisks indicates a leader performance step.)

Evaluation Guidance: Score the Soldier GO if he/she passes all performance measures. Score the Soldier NO-GO if Soldier fails any performance measure. If the Soldier scores NO-GO, show the Soldier why he/she failed and show the Soldier how to perform the measure correctly.

Evaluation Preparation: Brief the Soldier: Explain expectations to the Soldier by reviewing the task standards. Stress to the Soldier the importance of observing all cautions and warnings to avoid injury to personnel and, if applicable, damage to equipment.

Environment: Environmental protection is not just the law but the right thing to do. It is a continual process and starts with deliberate planning. Always be alert to ways to protect our environment during training and missions. In doing so, you will contribute to the sustainment of our training resources while protecting people and the environment from harmful effects. Refer to the current Environmental Considerations manual and the current GTA Environmental-related Risk Assessment card. Environmental protection is not just the law but the right thing to do. It is a continual process and starts with deliberate planning. Always be alert to ways to protect our environment during training and missions. In doing so, you will contribute to the sustainment of our training resources while protecting people and the environment from harmful effects. Refer to FM 3-34.5 Environmental Considerations and GTA 05-08-002 ENVIRONMENTAL-RELATED RISK ASSESSMENT.

Safety: In a training environment, leaders must perform a risk assessment in accordance with ATP 5-19, Risk Management. Leaders will complete the current Deliberate Risk Assessment Worksheet in accordance with the TRADOC Safety Officer during the planning and completion of each task and sub-task by assessing mission, enemy, terrain and weather, troops and support available-time available and civil considerations, (METT-TC). Note: During MOPP training, leaders must ensure personnel are monitored for potential heat injury. Local policies and procedures must be followed during times of increased heat category in order to avoid heat related injury. Consider the MOPP work/rest cycles and water replacement guidelines IAW FM 3-11.4, Multiservice Tactics, Techniques, and Procedures for Nuclear, Biological, and Chemical (NBC) Protection, FM 3-11.5, Multiservice Tactics, Techniques, and Procedures for Chemical, Biological,

Radiological, and Nuclear Decontamination.
